

HELP US KEEP EACH OTHER AND OUR COMMUNITIES SAFE

This is an amazing opportunity to express unity and honor together as a church. Based on the recommendations of our medical advisory team and the CDC, we are asking all participating in the service to join us in the following safety measures:

SOCIAL DISTANCING

Please stay with your family in your worship space and keep a distance of 6+ feet from others at all times.

SEATING

Please sit every other row, and leave at least 3 seats in between you and the next person or family.

MASKS

Masks are mandatory (school age and up.) Please plan to keep your mask on at all times.

STAY HOME IF SICK

If you, anyone in your family, or anyone you've been in contact with has been sick within the past 14 days, please stay home.
