

## **YOU KEEP ON GETTING BETTER**

I will sing of Your goodness  
I will sing of Your love  
Though the seasons come quickly  
You have always been enough  
Though the night may get darker  
Though the waiting seems long  
You have always been faithful  
To remind me of Your love

**You are good  
In the morning I'll sing  
You are good  
In the evening I'll sing  
You are good  
You are good to me**

You have always been patient  
You have always been kind  
You're consistent through the ages  
Oh, what a friend of mine  
So I'll remind my soul to bless You  
Standing firm upon Your truth  
Knowing You cannot be shaken  
'Cause I've seen what You can do, oh

You keep on getting better

## **EVERYWHERE I LOOK**

Before the boundaries of the earth were laid  
Your Eternal Voice had called my name  
Speaking love in every step I'd take

Surely Your goodness has followed me  
Breathing Your blessing on everything

**I'm thankful to call you a Father  
Humbled to call you a friend  
Grateful to know you as Savior  
Who carried the weight of my sin  
I love to be filled by your Spirit  
And follow the sound of your voice  
Everywhere I look, I see your kindness!**

What a gift to love you all my days  
Just to spend forever face to face  
In Your eyes I see the depths of grace

Your undeniable Presence  
All through my history  
Tells me no matter what happens  
Your plans are good for me

## **EVERY SHADOW**

When we walk through the valley of darkness  
(We will have no fear, for the Lord is near)  
When the shadow of death is upon us  
(We will have no fear, for the Lord is near)

When there's nothing left to hold onto  
Lord we look to You

**Every fear will fade  
In the light of Your perfect love  
You light up every shadow,  
You light up every shadow  
Even death has died  
In the wake of the Risen Son  
You light up every shadow,  
You light up every shadow**

With our feet on the edges of hopeless  
(We will have no fear, for the Lord is near)  
With our faith in the Promise before us  
(We will have no fear, for the Lord is near)

The people in darkness have seen a light!  
It's shining! It's shining!  
The Shadow of Death has been overcome!  
The Triumph of Heaven has pierced the night!  
It's shining! It's shining!  
The victory of the Risen Son!  
The Shadow of Death has been overcome!  
By the victory of the Risen Son!

## HOW GREAT THOU ART

O Lord my God, When I in awesome wonder,  
Consider all the worlds  
Thy Hands have made;  
I see the stars, I hear the rolling thunder,  
Thy power throughout the universe displayed.

**Then sings my soul,  
My Saviour God, to Thee,  
How great Thou art, How great Thou art.  
Then sings my soul,  
My Saviour God, to Thee,  
How great Thou art, How great Thou art!**

And when I think, that God,  
His Son not sparing;  
Sent Him to die, I scarce can take it in;  
That on a Cross, my burdens gladly bearing,  
He bled and died to take away my sin.

When Christ shall come,  
with shout of acclamation,  
And take me home,  
what joy shall fill my heart.  
Then I shall bow, in humble adoration,  
And then proclaim:  
"My God, how great Thou art!"
