

10,000 REASONS

**Bless the Lord oh my soul, oh my soul
Worship His Holy name
Sing like never before, oh my soul
I'll worship Your Holy name**

The sun comes up, it's a new day dawning
It's time to sing Your song again
Whatever may pass, whatever lies before me
Let me be singing when the evening comes

You're rich in love & You're slow to anger
Your name is great & Your heart is kind
For all Your goodness I will keep on singing
Ten thousand reasons for my heart to find

And on that day when my strength is failing
The end draws near & my time has come
Still my soul will sing Your praise unending
Ten thousand years & then forevermore

EVERY SHADOW

When we walk through the valley of darkness
(We will have no fear, for the Lord is near)
When the shadow of death is upon us
(We will have no fear, for the Lord is near)

When there's nothing left to hold onto
Lord we look to You

**Every fear will fade
In the light of Your perfect love
You light up every shadow,
You light up every shadow
Even death has died
In the wake of the Risen Son
You light up every shadow,
You light up every shadow**

With our feet on the edges of hopeless
We will have no fear, for the Lord is near
With our faith in the Promise before us
We will have no fear, for the Lord is near

The people in darkness have seen a light!
It's shining! It's shining!
The Shadow of Death has been overcome!
The Triumph of Heaven has pierced the night!
It's shining! It's shining!
The victory of the Risen Son!
The Shadow of Death has been overcome!
By the victory of the Risen Son!

NEW WINE

In the crushing in the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground

So I yield to You into Your careful hand
When I trust You I don't need to understand

**Make me Your vessel
Make me an offering
Make me whatever You want me to be
I came here with nothing
But all You have given me
Jesus bring new wine out of me**

'Cause where there is new wine
There is new power
There is new freedom
And the Kingdom is here
I lay down my old flames
To carry Your new fire today

BUILD MY LIFE

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever breathe
We live for you, we live for you
Jesus, the name above every other name
Jesus, the only one who could save
Worthy of every breath we could ever breathe
We live for you, we live for you

**Holy, there is no one like you
There is none beside you
Open up my eyes in wonder
Show me who you are and fill me
With your heart and lead me
In your love to those around me**

I will build my life upon your love,
It is a firm foundation
I will put my trust in you alone
And I will not be shaken
