

## **OUTDOOR GATHERINGS STARTING EASTER SUNDAY!**

We are excited to announce that our first service at our new property will be Easter Sunday at 5pm! We will meet outside in the parking lot, with plenty of room for distancing as needed. We are working to make this as hospitable as possible for all of our church.

Mark your calendars for the location change Easter Sunday. Rain location will be Clermont Christian Church, and in case of rain we will make a decision by Thursday April 1st (and announce it in the West Weekly.)

## **VOLUNTEERS NEEDED FOR SUNDAY GATHERINGS**

As we prepare for outdoor gatherings soon, we are in need of 4-5 more volunteers to help facilitate the setup for services (on our own property!) If you and/or your family are willing to volunteer for a Sunday, please email Megan King at [children@cg-west.org](mailto:children@cg-west.org).

## **IN-PERSON + ZOOM SERVICES**

We are making small tweaks based on feedback we've collected from our first few live + Zoom services, and want to encourage you that this mode of worship is only for a short time. We all look forward to the day when we can gather with no safety restrictions.

Until Easter, live services will continue each Sunday at Clermont Christian Church (9204 Crawfordsville Rd, Clermont, IN 46234, in the sanctuary) at 5 P.M., with a video stream to Zoom (link in West Weekly email) for those wanting to participate from home. This will allow us all to experience the same gathering each week. We hope this will foster a more unified spirit during a season when it's hard to feel unified since we've been together so little, yet it's tremendously imperative we stay unified. Some of our staff and elders will be at both the live gathering and Zoom gathering, and we encourage you to commit to one of the two options you feel most comfortable with.

If you plan to join us for the live gathering Sunday, please revisit our guidelines in the West Weekly. While we all dislike the inconveniences of safety precautions, we want to make sure and create a safe and hospitable environment for as many people as possible. This is a wonderful opportunity to lay down our personal preference for the sake of love and unity.

## **DAILY PRAYER EACH WEEKDAY**

Many of you have joined the daily prayer times over the past year or so. We will be continuing daily prayer in 2021! For this season, we will meet each day at 4:30pm for some stillness, prayer, and meditating on Philippians. You can join the call at this link each day:
